(Name of the parties listed above or their attorney(s) if represented)

Pursuant to Rule 20 of the Rules of Procedure for the Administrative Law Court,
_____, (movant), moves to intervene as a party in the
above-captioned proceeding, and as grounds for this motion, alleges:

(State the reason(s) you wish to be made a party to this proceeding. Attach a separate sheet if necessary.)

Movant, therefore, is vitally interested in and affected by the outcome of this proceeding.

1. The movant will be aggrieved or adversely affected by the final order; the movant's interests are not being adequately represented by existing parties; and intervention will not unduly prolong the proceedings or prejudice the rights of existing parties.

2. In view of these allegations, any order issued by the Court in this proceeding would be binding on the movant and its interest in these proceedings would not be adequately protected unless it is permitted to intervene.

Wherefore, movant respectfully moves that it be granted leave to intervene in this proceeding.
